Why Should You Attend? Testimonials on the event and the book

"Your talks helped [my sons] see the Eucharist as clearly the Body and Blood of our Lord. What an enrichment for them! I regret only that the rest of my family wasn't there to hear all of your insights."

"Tom's talks gave me new insights into my faith and I am forever changed."

"The beauty of this (talk) lies in Tom's simple, conversational approach. We can all relate to the true-life stories he shares. By unveiling the Mass as a real and personal experience, he helps to open our eyes, ears, and hearts to this wonderful encounter with Christ."

I purchased the book several weeks ago, have read it & will read it again & again! This should be required reading in every parish. I have become so much more aware during Mass, & the idea of the angels & saints coming down to join us at Mass makes me so proud of my faith. How could anyone say that Mass is boring after reading this book!

"Why didn't anyone tell me this before?"
