

# STEWARDSHIP OF TIME AND TALENT COMMITMENT CARD

Holy Rosary Catholic Church asks that all her members be active disciples of our Lord Jesus Christ.

What does it mean to be a disciple?

- Worshipping** God in the Sacrifice of the Mass on Holy Days (*including Sundays*)
- Regularly **praying** and spending time with our Lord Jesus
- Living** the Gospel through the Commandments and the Beatitudes
- Serving** Jesus in our brothers and sisters, particularly in our parish community and local neighborhoods
- Financially **contributing** to the Church to support her work through our tithe, or as best as we are able

In baptism we became members of the one Body of Christ. As such the gifts and talents which we have received from God can and must be used as we live our faith and contribute to the ongoing mission of Jesus Christ and His Church. Prayerfully reflect on your giving of time and talent to the parish and community.

**Thank you for responding to  
the call of discipleship.**
